JERRY SELLERS, DIRECTOR

January & February, 2008

Dear Friends

Collins
Children's
Home
Nepal

When we were enjoying the visit of our son Chad and his family in Nepal, it became obvious that the interest in and questions asked about Nepal, were more than just casual curiosity.

The day after our arrival, Chad preached at Boudha Baptist Church. The text he chose was John 1:1-10 God sent light into the whole world not just for America, but for the smallest village in Nepal as well. As he shared his heart with the people of Boudha that day, his burden was apparent to all, especially to us.

for Widows
Nepal

Just before leaving for home Chad told us nothing was certain, but he felt sure God wanted he and his family to serve Him in Nepal. It took only a few days for those feeling to be confirmed and he told the people at Milledgeville Baptist Church that he would be resigning as Pastor and commence deputation as soon as possible.

When our daughter, Tanna and her family left for Nepal in 1990, it was not fear for their safety that caused our concern. God is always vigilant in His care for us, but rather, fear of the unknown made us wonder what the future held for our loved ones.

Now looking back over the past years, we know and accept that Joe and Tanna's death was part of God's plan for the further evangelization of Nepal. Part of that responsibility now rest on Chad and his family, to continue planting churches, as we have, through Boudha Baptist Church.

Church
Planting
Nepal

Pray for their efforts to reach the churches and pastors God wants to use for carrying the Gospel to Nepal through them.

It is comforting for us to know that even after we are gone, there will be a presence of our family in Nepal, reaching the lost.

Our work will continue as it has for 16 years. Our greatest joy comes from fulfilling the mission God gave us in 1992... Caring for the Children's Home, establishing churches, printing Bibles, and providing security for Christian widows.

If you would like to have Chad in your church for a meeting, he can be reached at brochad@mbcnepalmissions.com or 731-616-4236.
